

Divi's Nutraceuticals production site is now FSSC 22000 certified

Divi's Nutraceuticals is proud to announce that the production site in Vizag has been awarded the FSSC 22000 food safety certification.

The Food Safety System Certification 22000 (FSSC 22000) is an ISO-based, internationally accepted certification scheme for assessment and certification of food safety management systems for organizations that process or manufacture food ingredients, like additives and vitamins.

FSSC 22000 uses the existing standards ISO 22000, ISO 22003 and technical specifications for sector pre-requisite programs. The certification is accredited under ISO guide 17021. FSSC 22000 certification scheme has been given full recognition by the Global Food Safety Initiative (GFSI) board of directors.

Achieving the FSSC 22000 certification further underlines our continuous commitment to deliver the highest standards of food safety to our customers.
